

Caregiver

Qualicare North York · Caregiver

Qualicare Family Homecare offers homecare services to families in need. We provide one on one client care services in-home, in hospital or at Long Term Care Facilities/Retirement Homes. Qualicare focuses on providing the best quality of life for patients and peace of mind for their families.

Description

Qualicare is currently hiring Caregivers for weekdays and weekends (day and night shifts) for the North York location. Candidates must have previous caregiving experience.

We are looking for qualified caring, energetic and compassionate Caregivers to join our team in North York. If you are passionate about providing excellent care and are looking for a rewarding job complete with a warm and supportive work environment please get in touch with us. We would love to meet you.

Desired Applicant Skills:

- Friendly, outgoing and enjoy helping others
- Ability to think on their own and work independently
- Compassionate and able to show care for others
- Ability to work flexible hours
- Reliable, trustworthy and flexible
- Excellent references from previous employers
- Demonstrated ability to do the tasks described
- Clean appearance
- Energetic, compassionate, respectful and proactive

As a Qualicare Caregiver, job duties include but not limited to:

- Provide personal care services to clients in their home according to a Care Plan
- Support independence, dignity, social and emotional health
- Develop & maintain relationships with clients and their families
- Assist with personal care, hygiene, dressing and bathing assistance
- Meal planning, preparation and serving
- Light housekeeping and laundry
- Accompany clients on outings, events and appointments
- Shopping and errands
- Medication reminders and monitoring
- Ambulation and transporting clients
- Ability to follow Care Plan
- Documentation and Charting
- Provide companionship & supervision
- Assistance with all activities of daily living
- Mobility assistance

Desired Expertise includes:

- Caregiver experience with personal care, meal preparation and transfer assists
- Experience in private home, long term care facility or hospital setting an asset
- Knowledge of hygienic work practices and clinical infection control protocols
- Experience working with patients with Alzheimer's and other dementias
- Experience with Palliative Care
- Experience in a geriatric nursing or health care environment
- Experience with mobility support, lifts, transfers and safety assets and requirements
- Experience with manual and mechanical transfers
- Fluent knowledge of English language required, both written and oral

Qualifications/Certifications/Documents include:

- Valid CPR/First Aid at Health Care Professional Level
- Valid Driver's license and ability to travel around North York via TTC or personal vehicle
- Access to a computer and cell phone
- Current and Clear police record check
- Work permit to work in Canada
- Daily access to car is an asset, but not necessary

Required Experience:

- Caregiver Experience: 1 year

Compensation:

- Competitive daily rates based on experience, education and job responsibilities
- Excellent ongoing training available

Job Type:

- Part Time, Full Time

Please submit a resume with your response. We appreciate all applications; however only candidates selected for an interview will be contacted. Please note that all certifications must be up to date, including Police Check and CPR certificates prior to applying for the position.

Thank you!

Colleen Gault, Care Coordinator (Recruiting & Scheduling)
